## September 2003 Newsletter

### *Honoring the Spirit of Nursing at Riverside Methodist Hospital*

#### FROM THE PRESIDENT'S CORNER

Greetings! I'm **Rita J. Smith (1966)** and the newly elected President for 2003-2004. I'm honored to serve as President of the Alumni, and look forward to a very exciting year.

I'm sure all of you have now received the brochure from the Foundation describing the beautiful carved crystal sculpture named "**Spirit**" that will be placed in the lobby of the new Emergency Department / Heart Hospital. It is so beautiful, and only a world class piece of art would be appropriate to honor our world class Riverside Methodist / White Cross nurses.

Many of you have already contributed, and I send a personal "**Thank you**" for your kind contributions. With great pride I share that we already have received \$27,000 in contributions. "**Kudos**" to the class of 1943 for the first class contribution. I have been told that several classes are organizing to raise at least \$1,000, so that the respective class can be honored on the pedestal base. Wouldn't it be great if every class was recognized on the pedestal base? Be sure to enclose your year of graduation with your contribution.

We are also encouraging the current Riverside Methodist Hospital nurses to come together as a unit in making a group gift if preferred, so that every unit at Riverside Methodist can be recognized on the pedestal base.

The Medical Staff (current and retired) Campaign will formally begin in September. However, we have already received a generous gift from both the **Medical Executive committee** and the **OB / GYN Medical Staff committee**.

And finally, the Riverside Methodist Hospital **Volunteers** have made a generous contribution.

So, you see we are well on the way in full-filling a long-time dream to honor the Alumni nurses, the retired nurses, and the current nurses of White Cross Hospital and Riverside Methodist Hospital who have worked, and do work day in and day out caring so well for our hospital patients.

*Thank you in advance for considering this request and for giving to honor the Riverside / White Cross spirit of nursing... past, present and future.*

*For additional information about this effort or if you have any questions, please feel free to call **Pam Glasgow, Director of Development** at the Grant / Riverside Methodist Hospital Foundation at 566-4390. A gift submission form is available elsewhere in this newsletter.*

Sincerely,  
Rita J. Smith, RN

#### COMMITTEE MEMBERS

Committee members to honor the Spirit of Nursing at Riverside include RWC Alumni nurses, RMH nurses, a retired physician, the current President of the Medical Staff, and a Foundation representative.

#### NURSING EXCELLENCE FUND

This fund provides annual scholarship awards to Riverside nurses seeking to pursue a bachelor's level or advanced degree in nursing. In addition the fund supports continuing professional education for Riverside Methodist nurses.

#### REPLACEMENT CAPS, PINS AND GRADES

You can obtain a replacement Riverside / White Cross **nursing cap** from a New York company called Kay's Caps at (516) 791-8500. The cap is # 4545 and we have been quoted a price of \$15.00 each.

We have not been able to locate any companies making **replacement pins**. The last person we tried to help locate a Nursing pin finally found a White Cross Hospital pin on eBay ([www.ebay.com](http://www.ebay.com)) for about \$40.

Your individual **grade transcripts** are stored in Medical Records at Riverside Methodist Hospital. However, there is no record of class curriculum or instructor history available. Call the hospital at (614) 566-5000 to speak with Medical Records personnel.

## THANK YOU

The past few months have been very difficult for me. Losing my mom, **Genevieve Menkel Martin (1948)** has been both heartbreaking and life altering.

Countless numbers of you have offered up prayers of comfort and cards of support as well as personal visits, phone calls and numerous memorial donations to the Alumni Association and the Alzheimer's Association.

My family and I will always remember your kindness and generosity. Thank you so much for all you have done. I can't begin to tell you how grateful we are!

-**Pamela Martin (1973) Newsletter Editor**

## NEWS AND NOTES

Dear Pam, My condolences to you and your large family in the loss of your mother, Genevieve Martin. I never had met her but feel that I knew her as a "neighbor" from reading years and years of RWC alumni letters. She did a wonderful job and I am amazed, as I read her obituary, at the many contributions she made to the people who lived around her. This is a life well lived. I know how bruised and heavy your heart feels as I also recently lost my mother. I will think of you often as I work my way thru the process of grief. God's blessings and strength to you. **Carole Wood Overmyer (1963)**

Here it is time for another reunion and I am in Tucson, Arizona. I am here until the end of June. I don't know where my next assignment will be. The news from here is that Carolyn (my wife) entered the Pima County Fair with four sewing entries and won four blue ribbons. She entered the Healthy Food Contest and won a blue ribbon and she entered two pies and won a blue and red ribbon. Also, our daughter had a ruptured ectopic pregnancy this past week. She is doing O.K. She is back to work but feeling tired. That is all the news from here. **Keith Hepler (1965)**

I enjoy getting the newsletter even though I don't recognize many names. I kept up correspondence with several of my classmates for many years but now it has dropped to almost zero. I will be 90 years young my next birthday but am blessed with good health. I have had both knees replaced but that is my extent of illness. I just moved to a retirement home. It was very difficult to leave my lovely home but it comes a time in life to make radical changes. I haven't nursed for many years but have been blessed with a very fruitful life. I have one daughter, two grandchildren, and 4 great grandchildren who I love dearly. I have had many wonderful trips and have many wonderful memories. I attended my 50th class reunion but that is the last contact I have had - I do so appreciate all the hard work the officers do. **Dorothy M. Radenbaugh Everley (1935)**

Son David and Daughter In Law Deb, USAF – Persian Gulf. Both recently deployed. **Nancy Miller Webber (1963)**

My granddaughter will graduate June 2004 and has been accepted @ Hocking College in nursing for Fall 2004. How do I get her the paper work for this? My daughter used a scholarship when she went in nursing, also. Thanks for keeping our organization active. **Dorothy Warman Everett (1956)**

Enjoy keeping up with newsletter. Thanks to all involved. **Kathryn Newsom Sidwell (1961)**

Retired from Eli Lilly and Company on 4-01-03. Occupational Health Nurse for 32 years. **Carole Lenore Pentecost Stevens (1965)**

Working at Riverside – Emergency Services staff nurse. **Linda Tag Wise (1967)**

I actually live in Pataskala. I'm so glad the Alumni Association is active, again. **Roanna Joyce Evans Houserman (1958)**

I retired in 1999 after working 20 years at the Lorain County Health Department. I do miss my professional life and coworkers. But I love sitting at my breakfast table in winter mornings watching the snow fall knowing I don't have to bundle up and go out and navigate the slippery roads! How do I fill my time these days? Teaching Sunday School to Pre-K and Kindergarten little ones at Westlake United Methodist Church—Traveling to Ireland, Scotland, Wales, China, and this summer to Brazil—Spending 6 weeks from February to April at a rented condo right on the ocean on the Isle of Palms, South Carolina, ½ hour from Charleston—Attending the Cleveland Symphony Orchestra Concerts—Visiting my 2 granddaughters in Powell, Ohio—Ushering on Saturday evening at Playhouse Square in Downtown Cleveland. Since there are 4 beautifully restored theaters in the complex, I am afforded the opportunity to see operas, ballets, Broadway musicals, many noted artists, etc.-working in my gardens from spring to fall—Scrap booking. **Judith Ann Menear Ebbitt-Glover (1963)**

I truly enjoy the newsletter and I appreciate the efforts of all to keep our alumni informed and connected. **Dianna Jean Hill Seymour (1964)**

I had emergency surgery last May 2002 for perforated diverticulum and was in the hospital for 3 weeks with sepsis and peritonitis. I'm just getting back to normal and plan to have my colostomy reversed in July. Sorry to say it wasn't done at Riverside. I had an occasion to visit at Riverside recently but I couldn't believe all the changes and construction. I hope to be able to contact some of my former classmates via the Internet while I'm recovering from surgery. I really enjoy getting the newsletter. **Seanne C. Sandusky Layton (1968)**

I read every newsletter from cover to cover. Thanks for all your efforts. **Jenny K. Hall Banner (1961)**

Thanks for your hard work with this association. **Jeanne Hayes Reese (1963)**

## NEWS AND NOTES

Sorry to hear of Genevieve Martin's death. She did a wonderful job on the newsletters for many years. I was 94 in January and am in excellent health and very busy. Drive my car and go to all my meetings. Crocheted 32 lap robes for Breesville Vet Hospital this year beside my mittens. Able to care for my flower bed and do housework and cooking. My daughter and I enjoy our home and doing things together. **Ruth Satterfried Mahoney (1930)**

So sorry to hear of Genevieve Martin's death. I can see her yet holding babies -- while we were in "training". **Helen Brooks Alford (1948)**

I just now heard of the death of Genevieve Martin. I was so sorry to hear as I was in her class. I had moved and didn't get the newsletter. She worked so hard for all of us. I spent a month this past winter in Lakeland, Florida. Returned home on Amtrak to Virginia and then by auto to home. It was very nice. **Mary Jane Wilcox Crothers (1948)**
